

## Autres publications d'Aurélié Delemarle

### Articles dans des revues

- Aurélié Delemarle, [A rationale for public intervention in disruptive technological development: public policy tools as trust-enabling mechanisms](#), *Technology Analysis and Strategic Management*, Taylor & Francis (Routledge): SSH Titles, 2014, 26 (1), pp. 23-35. <10.1080/09537325.2013.843659>. DOI : [10.1080/09537325.2013.843659](#)
- Aurélié Delemarle, Harald Throne-Holst, [The Role of Standardisation in the Shaping of a Vision for Nanotechnology](#), *International Journal of Innovation and Technology Management*, World Scientific Publishing, 2012, 10 (2), 20 p. <10.1142/S0219877013400051>. DOI : [10.1142/S0219877013400051](#)

### Communications dans des congrès

- Philippe Larédo, Bernard Kahane, Aurélié Delemarle, Lionel Villard, [Knowledge dynamics and agglomeration phenomena : the case of nanotechnology](#), *The PRIME-ENID conference on positioning indicators, 28-30 may 2008, Oslo (Norvège)*, May 2008, Oslo, Norway
- Aurélié Delemarle, [Characterising the dynamics of nano sciences and technologies : Implications for future policy makers](#), *Colloque franco-russe " Économie, politique et société : nouveaux défis et perspectives "*, Oct 2010, Moscou, Russia
- Aurélié Delemarle, H. Throne-Holst, [The role of standardisation in the shaping of a vision for nanotechnologies](#), *Conference "Tentative Governance In Emerging Science and Technology"*, Oct 2010, Enschede, Netherlands
- Aurélié Delemarle, [Governing markets for radical products by designing market infrastructure. Market infrastructures - towards a market paradigm ?](#), *DBP seminar*, Apr 2012, Copenhagen, Denmark
- Aurélié Delemarle, J.-P. Gaudillière, [Innovations et construction des marchés](#), *Conférence annuelle de l'IFRIS*, Jan 2013, Paris, France
- Douglas K. R. Robinson, Aurélié Delemarle, Bernard Kahane, Philippe Larédo, [Vision Assessment in Asynchronous Logic](#), *Fourth Annual meeting of The Society for the Study of Nanoscience and Emerging Technologies (S.NET)*, Oct 2012, Enschede, Netherlands
- Aurélié Delemarle, [La production scientifique en Nanosciences](#), *Journées Nationales des Nanosciences et Nanotechnologies, ANR/PNAO/R3N, 21 octobre 2008, Grenoble (France)*, Oct 2008, Grenoble, France
- Claire Auplat, Aurélié Delemarle, [Current regulatory limitations for the development of products containing nanomaterials with a life cycle perspective](#), *Goldschmidt 2012*, Jun 2012, Montréal, Canada
- Aurélié Delemarle, Philippe Larédo, [Governing emerging markets : creating/transforming market infrastructures](#), *4S & EASST Conference*, Oct 2012, Copenhagen, Denmark
- Aurélié Delemarle, [Organizing markets for nanotechnology products : Investigating firms'collective actions in ISO and the European Code of Conduct, Organising and Reorganizing markets](#), *SCORE*, Feb 2012, Stockholm, Sweden
- Catherine Paradeise, Jean-Claude Thoenig, S. Mignot-Girard, E. Biland, G. Goastellec, Aurélié Delemarle, [Practical relevance and academic excellence: Four business schools in](#)

context, *EFMD Higher Education Research Conference - Session 6B "Relevance of HE Institutions & Business Schools*, Jan 2012, Zürich, Switzerland

- Stéphanie Lacour, Marjorie Thomas, Roger Moret, Aurélie Deleamarle, Philippe Larédo, Perrine Gallice, Emmanuelle Comtat, Anne-Marie Benoît, Sciences et Société en mutation - Rapport du Groupe de travail sur l'émergence des nanosciences et des nanotechnologies, *Emergence des nanosciences et des nanotechnologies*, Feb 2007, PARIS, France
- Aurélie Deleamarle, Philippe Larédo, How do radical innovations 'generalise': the role of market infrastructures, *EUSPRI Annual Conference*, Jun 2012, Karlsruhe, Germany
- Catherine Paradeise, Jean-Claude Thoenig, Stéphanie Mignot-Gérard, Emilie Biland, G. Goastellec, Aurélie Deleamarle, Excellence académique et pertinence professionnelle. Etude de quatre Business Schools en Europe et aux Etats-Unis, *Les universités au risque de l'histoire. Principes, configurations et modèles. 19ème-20ème siècles*, Oct 2011, Nancy, France
- Aurélie Deleamarle, Axel Lagnau, Philippe Larédo, Robinson Douglas, Dynamics of epistemic communities and emerging technologies : the need for local embeddedness and spaces of exchange, *The management of innovation policies : new forms of collaboration in policy design, implementation and evaluation. 2013 EU-SPRI conference*, Apr 2013, Madrid, Spain
- Catherine Paradeise, Antoine Schoen, Aurélie Deleamarle, Academic quality as a result of individual performances and collective achievement. Inside the black box of high standing academic departments, *ENID Science and Technology Indicators Conference 2011 'Actors and Networks in European Science' - Session 7 'Indicators for the evaluation of research programs and groups'*, Sep 2011, Rome, Italy
- Aurélie Deleamarle, Public policy as trust enabling mechanism, *SIAP Seminar; 8 juillet 2008, Champs-sur-Marne (France)*, Jul 2008, Champs-sur-Marne, France
- Philippe Larédo, Bernard Kahane, Aurélie Deleamarle, Lionel Villard, Knowledge dynamics and agglomeration phenomena : the case of nanotechnology, *The knowledge for growth conference, 7-9 juillet 2008, Toulouse (France)*, Jul 2008, Toulouse, France
- Aurélie Deleamarle, Bernard Kahane, Philippe Larédo, Lionel Villard, Audrey Baneyx, L. Breucker, Exploiting keywords life-cycle to analyse the dynamics of an emerging field : An experiment in Nanosciences with the Kwords lab, *3rd European Network of Indicators Designers Conference on "STI Indicators for Policymaking and Strategic Decision"*, May 2010, Paris, France
- Aurélie Deleamarle, Bernard Kahane, Philippe Larédo, L. Villard, How should we define, construct and compare clusters in emerging S&T fields ? The case of nanotechnologies, *3rd European Network of Indicators Designers Conference on "STI Indicators for Policymaking and Strategic Decision"*, Mar 2010, Paris, France
