

Publications de M. Philippe LAREDO

ERA and European research policies:

- LAREDO P. 2009
La recherche européenne et les enjeux des nouvelles sciences dominantes, in Leresche J .P., K. Weber et P. Larédo (eds), Enseignement supérieur et recherche face à l'internationalisation, Lausanne: Presses polytechniques et universitaires romandes (PPUR). [Click here for information on the book](#). [Click here for a preliminary version](#)
- LAREDO P. 2008
Discussing the role of the ERA in the Lisbon Process, the diverse understandings of the ERA and the role of the Framework Programmes in fostering Europeanisation, background paper to FP6 evaluation, October, 24 pages. [click here for paper](#)
- LAREDO P. 2008
L'Europeanisation de la recherche : vers une nouvelle étape ? Conférence au cycle de l'IHEST sur les écosystèmes de la recherche et de l'innovation en Europe (23 octobre 2008), disponible sur le site web de l'IHEST. [click here for paper](#)
- LAREDO P. 2008
Discussing the relations between ERC and national funding agencies, PRIME-Norface workshop on the design of new instruments for social science funding in Europe, Ljubljana, 23-24 June 2008. [Click here for the presentation](#)
- LAREDO P. 2008
European position in frontier science, the role of 'fragmented' funding agencies, DIUS workshop on 'Damaging fragmentation or healthy diversity, London, 20 June. [Click here for the presentation](#)
- LAREDO P.
'Don't confuse ERA's growing pains with its maturing strains, Research Europe, 1 May 2008, p 7-8. [Click here for a copy](#)
- Member of the EC expert group on "rationales for the ERA" (2007-2008)
Report published in March 2008: Luke Georghiou and al, *A rationale for the ERA*, Brussels, DG Research. [Click here for the report](#)
- LAREDO P. 2008
Dilemmes et défis de l'Espace Européen de la recherche (ERA): pour une approche pragmatique, Paris 15 avril (CAS) et Bruxelles 29 avril (AVRIST). [Click here for the presentation](#)
- LAREDO P. 2007
Reflecting on the future of the ERA, Audition for the preparation of the 2007 EC Green Paper on new perspectives for the ERA, January 24. [Click for Text and Presentation](#)

Research policies & evaluation:

- LAREDO P. 2008
Le financement de la recherche sur projets en France et en Europe: positionner pour mieux questionner, Conférence Politique Science et action publique, IEP, Grenoble, 23-24 Octobre. [Click here for the presentation](#)
- LAREDO P. 2008
Some reflections on research policy developments linked to 'internationalisation', Conference 'Drivers of International Collaboration in Research', Brussels, 13-14 October.
- LAREDO P. 2008
Peer reviewing, what difference do organisations make, EGOS/WZB workshop 'peer review reviewed', Berlin 24-25 April. [Click for text and presentation](#)
- LAREDO P. 2008
Nano S&T and Society: Discussing the Engagement of Social Scientists, Third International Dialogue on Responsible Research and Development of Nanotechnology, Brussels, March 11-12. [Click here for the presentation](#)
- LAREDO P. 2008
Some notes on "non-university" research organisations, OECD workshop on the "steering and funding of research organisations", Paris February 18-19. [Click here for the presentation](#)
- LAREDO P. 2008
Introduction to the plenary session on the Innovation Process in relation to development, UNESCO High Level Expert Group on Technology and development, Manchester February 27-29. [Click for text and presentation](#)
- BILLON A. and LAREDO P. 2007
The changing context of evaluation in France, G8 working group on research assessment, Tokyo, 21-22 November 2007. [Click here for the presentation](#)
- LAREDO P. 2007
Recent trends in the evaluation of innovation policies: a view from Europe, International Symposium on Innovation Policy and Evaluation, Tokyo, 19-20 November. [Click here for the presentation](#)
- LAREDO P. 2007 & 2008
Presentations on aspects of French research policies at the French-Korean seminars on science and technology policy, Seoul, 20-21 september, and Paris April 17-18. Click on titles for the presentation of [the evolving French evaluation landscape](#) (2007), on [regional developments](#) (2007) and on [poles de compétitivité](#) (2008).
- THEVES J., LEPORI B. and LAREDO P. 2007
Changing patterns of public research funding in France, Science and Public Policy, 34, 6, 389-399. [Click here for a copy](#)

- LAREDO P.
Four considerations about Science Policy. Workshop "The social organisation of science and science policy", NSF, 12-14 July 2006 ([Click here](#))
- LAREDO P.
Dynamiques de la recherche et de l'innovation et transformation des interventions publiques. Journée IFRIS "Où en sommes nous du concept de régime de production scientifique", 9 juin 2006, Cité Descartes ([Click here](#))
- LAREDO P.
Which dynamics for the ERA? Invited conference to the Seminar "Myths and Realities of Innovation in the EU", 21 April 2006, Madrid ([Click here](#))
- LAREDO P.
Recherche et Innovation : formes et justifications des interventions publiques. Séminaire ARC2, 10 avril 2006, www.arc2.org
- LAREDO P.
Société de la connaissance et « fabrique » de l'intervention publique : le rôle du débat public. Postface in: LERESCHE J.P. et al. - *La fabrique des sciences, des institutions aux pratiques* - Lausanne : Presses polytechniques universitaires romandes, 2006, pp. 369-384 ([Click here](#))
- Main organiser of the 2006 PRIME Conference – Paris / Marne La Vallée - 6-10 February 2006. See www.prime-noe.org
- Co-organiser of the conference on "Science and Technology Policy" - Atlanta - 18-20 May 2006 ([Click here](#))
- ASHEIM B., BOSCHMA R., COOKE P., LAREDO P. et al.
Constructive regional advantage, principles, perspectives, policies. A report to the EC "regions of Knowledge" by an independant expert group, 2006. Report available on [CORDIS website](#).
- LAREDO P.
Driving trends and major challenges facing the 'third mission' of Universities. Introductory contribution to the workshop on "driving factor and challenges for the European University", 23-24 March 2006, Brussels (Belgium) ([Click here to download text](#) and [presentation](#))
- LAREDO P., SACHWALD F. (eds)
Le système français d'innovation dans l'économie mondiale : enjeux et priorités. "IFRI et Institut de l'entreprise" - Paris : La documentation française, 2005 ([Click here](#))
- LAREDO P.
Rethinking the direction and equilibrium of European interventions. A "rough" preliminary attempt - Working document, 2005 ([Click here](#))

- LAREDO P.
Prospective de l'espace européen de la recherche. Revue française d'administration publique, 2005, pp. 675-685 ([Click here](#))
- LAREDO P., UYARRA E.
Policy learning form evaluation. Workshop on "Assessing the impact of Regional Innovation Policies", 13-14 September 2006, Manchester (UK) ([Click here](#))
- LAREDO P.
Challenges to evaluation practice and knowledge base. International Conference on "New frontiers for evaluation", 24-25 April 2006, Vienna ([Click here](#))
- LAREDO P.
Recent developments in Evaluation of research and innovation policies. International conference on "Strategic policy intelligence for regional decision making", 30 March 2006, Stuttgart (Germany) ([Click here](#))
- GEORGHIOU L., LAREDO P.
Evaluation of R&D Policy, Perspectives and Development. Report to OECD, March 2006. ([Click here](#))
- LAREDO P.
Research needs for the evaluation of S&T Policy. Presentation at the meeting of AAAS: "Track on research evaluation for policy making", 18 February 2005, Washington (USA) ([Click here](#))
- LAREDO P.
FP6 Monitoring 2004: Implementation of activities under the EC and EURATOM framework and corresponding specific programmes. A report for the panel chaired by Prof MANDL C. (LAREDO P., member), August 2005. [Cordis website](#).
- LAREDO P.
Université et territoire: la double transformation de leurs relations. Conférence introductive de la conférence "Université et Cité", 9-11 décembre 2004, Nantes ([Click here](#))
- LAREDO P.
Université et Territoire: une synthèse des débats. Conférence "Université et Cité", 9-11 décembre 2004, Nantes ([Click here](#))
- LAREDO P.
Thematic Network on Policies for research and innovation in the move towards the ERA. PRIME, FP5 IHP programme (2002-2004) – Final report, November 2004.
- LAREDO P.
Defence R&D and Breakthrough S&T: open issues raised. NATO conference on "Science and technology Policies for the anti-terrorism era", 12-14 September 2004, Manchester (UK) ([Click here](#))

- LAREDO P.
The Characterisation of Research Groups, 10 years of experience. Presentation to the PRIME Pisa Conference on the “Observatory of the European University”, 16-17 July 2004, Pisa (Italy). ([Click here](#))
Voir aussi rapport de l’Observatoire de la recherche angevine, www.angerstechnopole.com et www.technopolis-group.com.
- LAREDO P., P. Mustar
Public-sector research: a growing role in innovation systems. Minerva, 2004, n° 42, pp. 11-27. See for a preliminary version: [presentation at the Lisbon conference](#)
- LAREDO P., MUSTAR P.
La recherche publique en France : évolutions et enjeux. Le Banquet, 2004, n° 19, pp. 95-113 ([Click here](#))
- LAREDO P.
Document de présentation pour l’habilitation à diriger des recherches. Université des Sciences Sociales de Toulouse 1, Institut d’administration des entreprises, janvier 2004.
Membres du Jury :
- Rémi Barré, Professeur titulaire, chaire CNAM Prospective Innovation (rapporteur),
- Patrick Joffre, Professeur, Président de l’AIMS (rapporteur),
- Bernard de Montmorillon, Professeur, Président de l’université Paris Dauphine,
- Hervé Penan, Professeur, Directeur de l’IAE Toulouse,
- Bernard Ramanantsoa, Professeur, Directeur Général du groupe HEC.
([Click here](#))
- LAREDO P., MUSTAR P.(eds)
Research and Innovation Policies in the New Global Economy, An International Comparative Analysis. - Cheltenham: Edward Elgar, 2003 for paperback edition, 524 p.
([Click here for general introduction and conclusion](#)) ([Click here for Chapter 13 on France](#))
- LAREDO P.
Universities and their Research Activities: On going transformations and new challenges. Journal of Higher Education, Management and policy, 2003, 15, 1, pp. 119-140 ([Click here](#))
- LAREDO P.
Post-scriptum (or reviewing the four scenarios proposed). Strata foresight conference, 9-10 December 2003, Brussels (Belgium). ([Click here](#))
Actes in 2004, see www.cordis.lu/rtd2002/foresight/home.html
- LAREDO P.
From scientific excellence to research performance: the influence of production situations and of research collectives. Workshop “Minimising gender bias in the definition and measurement of scientific excellence”, 23-24 October 2003, Florence (Italy). Actes publiés en 2004 ([Click here](#))

- LAREDO P.
University-Industry relations in perspective, A preliminary attempt. Introduction to the session on "University foresight", Ioannina Conference for "Cooperation in Foresight in an Enlarged European Research and Innovation Area", 15-16 May 2003 ([Click here](#))
- LAREDO P.
Vers un espace européen de la recherche et de l'innovation. In: MUSTAR P., PENAN H. (eds.). - Encyclopédie de l'innovation. - Paris : Economica, 2003, pp. 665-691 ([Click here](#))
- LAREDO P., MUSTAR P.
Politiques publiques de recherche et d'innovation. In: MUSTAR P., PENAN H. (eds.) - Encyclopédie de l'innovation. - Paris : Economica, 2003, pp. 613-625 ([Click here](#))
- LAREDO P.
Six Major Challenges Facing Public Intervention in Higher Education, Science, Technology and Innovation. Science and Public Policy, 2003, vol 30, N°1, pp. 4-12 ([Click here](#))
- LAREDO P.
Reconsidering research and innovation policies. Keynote speech for the "4th Triple Helix conference, Breaking Boundaries – building Bridges", 6-9 November 2002, Copenhagen (Denemark) ([Click here](#))
- LAREDO P.
New Perspectives on S&T Policy. Keynote Speech, STRATA Consolidating Workshop on "Science and Technology Policies in Europe: New Challenges, New Responses", 23-24 April 2002, Brussels (Belgium) ([Click here](#))
- LAREDO P.
Le secteur public de recherche français en pleine mutation. Présentation introductive au colloque IREDU – Ministère de la Recherche sur "la formation des docteurs face aux évolutions du marché du travail", 28-29 mars 2002, Dijon ([Click here](#))
- LAREDO P., MUSTAR P.
Innovation and Research Policy in France (1980-2000) or the Disappearance of the Colbertist State. Research Policy, 2002, vol 31, N°1, pp. 55-72 ([Click here](#))
- LAREDO P.
The evaluation of ECRTD activities. Contribution to the Conference "Evaluations in the ERA", 27 October 2004, Maastricht (The Netherlands) ([Click here](#))
- LAREDO P.
Research evaluation as a management practice of the research system. Concluding conference of the FECYT workshop on "Research evaluation as a RDT management practice: peer review of research grant applications and evaluating the RTD impact", 15-16 December 2003, Madrid (Spain) ([Click here](#))

- LAREDO P.
From scientific excellence to research performance, the influence of production situations and of research collectives. Contribution to the EUI “workshop on gender bias in the definition and measurement of excellence”, 23-24 October 2003, Firenze (Italy) ([Click here](#))
- LAREDO P.
L'évaluation de la recherche en France: Éléments de cadrage. Présentation pour la session du Conseil scientifique du CNRS sur l'évaluation, 1-2 juillet 2002 ([Click here](#))
- LAREDO P.
Benchmarking of R&D Policies in Europe: Research Collectives as an Entry Point for Renewed Comparative Analyses. Science and Public Policy, 2001, vol 28, 4, pp. 285-294 ([Click here](#))
- LAREDO P.
Government Laboratories or Public Institutions of Professional Research? The Case of France. In: COX D., GUMMETT P., BARKER K. (eds). - Government Laboratories, Transition and Transformation. - Amsterdam: IOS Press, 2001, pp. 114-127 ([Click here](#))
- LAREDO P., MUSTAR P.
Laboratory Activity Profiles: An Exploratory Approach. Scientometrics, 2000, 47, 3, pp. 515-539 ([Click here](#))
- KAHANE B., LAREDO P.
Politique de recherche et choix organisationnels de l'Association Française de Lutte contre la Mucoviscidose. Sciences Sociales et Santé, 1998, vol 16, N°3, pp. 97-128 ([Click here](#))
- LAREDO P.
The Networks Promoted by the Framework Programme and the Questions they Raise about its Formulation and Implementation. Research Policy, 1998, 27, pp. 589-598 ([Click here](#))
- LAREDO P.
Technological Programmes in the European Union. In: ETZKOWITZ H., LEYDERDORFF L. (eds). - Universities and the Global Knowledge Economy - London: Pinter, 1997, pp.33-43 ([Click here](#))
- LAREDO P.
Membre du panel d'évaluation du conseil de recherche norvégien RCN (2001). Rapport disponible sur le site du groupe Technopolis: www.technopolis-group.com
- LAREDO P.
Président du comité d'évaluation du programme belge PAI (2000).
Cf report: LAREDO P., MUNOZ E., RIP A.
Evaluation of the interuniversity attraction poles. Federal Office for Scientific, Technical and Cultural Affairs, 2000, Brussels www.belspo.be/

- LAREDO P.
Membre du “monitoring panel” du programme européen de recherche sur la société de l’information (IST), 1999-2000. Rapport mars 2000.
- LAREDO P.
Scientific excellence in perspective: towards research performance? Presentation to the ISCONIS workshop on "Scientific Excellence", CNRS, December 1998, Paris ([Click here](#))
- LAREDO P.
Evaluation in France, a Decade of experience. In: Proceedings of the OECD Conference on "Policy Evaluation in Innovation and Technology". Paris: OECD, 26-27 June 1997, pp. 419-441 ([Click here](#))
- LAREDO P.
Evaluation as a Learning Process in S&T Policy Making: The European Experience. 7th International Forum on Technology Management, 3-7 November 1997, Kyoto. Proceedings, Tokyo: NISTEP ([Click here](#))
- LAREDO P.
Membre du panel d’évaluation du programme européen Télématique.
Rapport: OAKLEY B., WILHJELM N. and al
Five year Assessment of the Specific Programme Telematics Applications. Office for Official Publications of the European Communities, 1997, Luxembourg
- LAREDO P.
L’évaluation dans les processus politiques. Réflexions à propos des politiques de recherche. In: MEADEL C., RABEHARISOA V. (eds). - Représenter, Hybrider, Coordonner. Colloque CSI. Paris: CSI, 9-10 Mai 1996, pp. 139-150 ([Click here](#))
- CALLON M., LAREDO P., MUSTAR P. (eds)
La gestion stratégique de la recherche et de la technologie. Paris : Economica, 1995.
Traduction anglaise : *The Strategic Management of Research and Technology: The Evaluation of Technological Programmes.* Paris: Economica International (mention), 1997
- LAREDO P., MUSTAR P.
France the Guarantor model and the Institutionalisation of Evaluation. Research Evaluation, 1995, vol 5, pp. 11-21 ([Click here](#))
- LAREDO P.
Structural Effects of European Research Programmes. Scientometrics, 1995, vol 34, n°3, pp. 473-487 ([Click here](#))
- LAREDO P.
The impact of European Community Programmes in France. Paris: Presses de l’Ecole des Mines (mention), 1995

Knowledge dynamics & innovation studies:

- LAREDO P., RIEU C., VILLARD L., KAHANE B., DELEMARLE A., GENET C. et MANGEMATIN V. 2009
Émergence des nanotechnologies : vers un nouveau modèle industriel, in Leresche J.P., Weber K. et Larédo P. (eds), Enseignement supérieur et recherche face à l'internationalisation, Lausanne: Presses polytechniques et universitaires romandes (PPUR). [Click here for information on the book](#). [Click here for a preliminary version](#)
- LAREDO P. 2009
La recherche européenne et les enjeux des nouvelles sciences dominantes, in Leresche J.P., Weber K. et Larédo P. (eds), Enseignement supérieur et recherche face à l'internationalisation, Lausanne: Presses polytechniques et universitaires romandes (PPUR). [Click here for information on the book](#). [Click here for paper](#)
- LAREDO P. 2008
Organiser of a session on “*knowledge dynamics and institutional change in fast changing science sectors*”, Conference "Knowledge for growth", Toulouse 7-9 July. [Click here for accessing the full session](#)
- KAHANE B., DELEMARLE A., VILLARD L. et LAREDO P. 2008
Knowledge dynamics and agglomeration phenomena, the case of nanotechnology, PRIME-ENID second European conference on science, technology and innovation indicators for policy. Oslo, 28-30 May. [Click here for a later version of the presentation](#)
- DELEMARLE A. and LAREDO P. 2008
Breakthrough innovation and the shaping of new markets: the role of community of practice, in A. Amin & J. Roberts (eds), Community, economic creativity and Organisation, Oxford: Oxford University Press, 178-200. [Click here for information on the book](#). [Click here for a preliminary version](#)
- LAREDO P. 2008
Knowledge dynamics and policy shaping, presentation made at the nanodistrict winterschool, Grenoble/Pinson, February 4-8. [Click here for presentation](#)
- LAREDO P. 2008
Revisiting knowledge dynamics and the issue of scientific commons, Prime-Dime seminar on search regimes and knowledge-based markets, Paris February 21-22. [Click here for the presentation](#)
- LAREDO P. 2007
Revisiting knowledge dynamics and the issue of scientific commons, Lisbon workshop on “real science, reliable knowledge and the complementarity of open science and property knowledge”, Lisbon, 1-2 October. [Click here for the text](#)

- LAREDO P. & KUHLMANN S. 2007
Knowledge dynamics and ERA integration, background document to the workshop Beyond the dichotomy of national vs. European science systems, Bonn, May 30. [Click here for accessing background paper](#)
- BOZEMAN B., LAREDO P. & MANGEMATIN V. 2007
Understanding the emergence and deployment of nano S&T, Research Policy, 36, 6, 807-812.
- LAREDO P. 2006
Transformation des régimes de recherche : implications pour les politiques publiques, La Lettre de la régulation, 56 (décembre). [Click here for the French version](#). [Click here for the English version](#)
- DELEMARLE A., LAREDO P.
Breakthrough innovation and the shaping of new markets : the role of communities of practice. Conference « Communities of Practice as a driver for innovation and competitive advantage ? », 27-28 October 2006, Durham (UK) ([Click here](#))
- LAREDO P.
A model of University activities to locate cooperation with industry. RUISNET Convention, 25-26 September 2006, Valencia (Spain) ([Click here to download text and presentation](#))
- KAHANE B., LAREDO P., MOGOUTOV A., THEORET C.
Dynamics of Nano science: a remake of the IP and bio waves? Workshop "Mapping the emergence of nanotechnologies and understanding the engine of growth and development", 1-3 March 2006, Grenoble.
- LAREDO P.
Some hypotheses surrounding the emergence and deployment of nano S&T, a management perspective. Presentation at Arizona State University, 8 November 2005, USA ([Click here](#))
- LAREDO P.
From Bio to Nano : a remake of the US domination in the near future? Presentation to the session « from bio to nano, what can we learn from 20 years of experience from biotechnology », Triple Helix 5 conference, 18-21 May 2005, Turin (Italy) ([Click here](#))
- LAREDO P.
Introductory notes. Seminar on "Innovation, path-dependency and policy (IPP)", 15-16 April 2004, Copenhagen (Denemark) ([Click here](#))
- LAREDO P.
The handling of breakthrough innovation: more than internal management issues. Concluding conference of the EIRMA annual conference: "Shaping the Future: Breakthrough Research and Innovation", 5-6 June 2003, Sorrente (Italy) ([Click here](#))

- JOLIVET E., LAREDO P., SHOVE E.
Managing Breakthrough Innovations: theoretical implications from - and for - the sociology of science and technology. Presentation to the 2003 ASEAT Conference “Knowledge and Economic & Social change: New Challenges to Innovation Studies”, 7-9 April 2003, Manchester (UK) ([Click here](#))
- JOLIVET E., LAREDO P., SHOVE E.
Managing breakthrough innovations: the Socrobust methodology. Conference, 2002, Leuven (Belgium) ([Click here to download text](#) and [presentation](#))
- LAREDO P.
Rapport SOCROBUST 2002 ([Click here to download the report](#) and [its tables](#))
- LAREDO P.
La recherche, le développement et l'innovation dans les grandes entreprises françaises: dynamiques et partenariats. Education et Formation, 2001, n°59, pp. 21-49 ([Click here](#))
- LAREDO P.
Technology Transfer or Co-Production? Lessons Derived from some EU Transfer Actions. NATO Advanced Research Workshop on "Industry as a Stimulator of Technological Transfer", 23-26 September 1999, Warsaw (Poland) ([Click here](#))
- DE LAAT B., LAREDO P.
Foresight for Research and Technology Policies: From Innovation Studies to Scenario Configuration. In: COOMBS R. and al. (eds). - Technological Change and Organization. - Cheltenham: Edward Elgar, 1998, pp. 150-179
- LAREDO P., MUSTAR P.
The Techno-economic Network: a Socioeconomic Approach to State Intervention in Innovation. In: COOMBS R. and al. (eds). - Technological Collaboration. - Cheltenham: Edward Elgar, 1996, pp. 143-164
- CALLON M., LAREDO P., RABEHARISOA V.
The Management and Evaluation of Technological Programmes and the Dynamics of Techno-Economic Networks: the Case of AFME. Research Policy, 1992, 21, 3, pp. 215-236
