

Attachment 1: Standard answer sheet

Reminder: in order to facilitate the examination of the projects by foreign evaluators, the application for support for exploratory projects (Branch 2) must be written in English.

1. Project title

2. Surname and name of the coordinator

3. Summarised presentation of the project (up to 5 pages)

Taking into account the requested criteria, including the expected outcomes.

4. IFRIS teams participating in the project

With a list of the participants' names, status (researcher, PhD student, post-doc) and ages.

5. Project organisation (1 to 2 pages)

6. Requested budget

Including information on the laboratory that will manage the project if it is chosen.

The proposals must be sent by e-mail to Marianne Noël (noel@ifris.org).
